Company Info

- Sherlock Investigations is fortunate to have attracted the finest Michigan private detectives, surveillance operatives and field investigators available in the industry. We have built a reputation as the premier provider of successful investigations.
- Our commitment to excellence has earned us a reputation for professionalism, integrity, discretion, and innovation. Sherlock is dedicated to setting the standard of excellence in the private investigation industry in Michigan.
- Here at Sherlock, you will not be working on your own in the field. You will have a large team of trained investigators working in the office who will be able to support you in the field should changes need to be made on the fly. If you have grown accustomed to getting great footage for the client, we will put you in the right place at the right time to make you shine.
- We know you are going to do some digging, it is in your blood, so here is our website to save you a step – www.claimspi.com

Objective

We are looking to add seasoned veteran surveillance investigators to our team. If you are stuck in your current job and looking to join a leading agency with greater opportunities, we are interested in talking.

What You'll Be Able To Do

- Successfully complete training, learn how to work within our team and produce the best video possible.
- Maintain a flexible schedule
- Perform on site covert surveillance, mobile surveillance, pedestrian surveillance and undercover surveillance operations as warranted by the case requirements.
- Write detailed narrative reports each day after the surveillance is completed adhering to a specific format in which grammar, punctuation and clarity of content are critical.
- Provide court testimony as required.
- Compete with some of the best surveillance investigators in the country and win monthly investigative awards!

The Minimum Requirements We Seek

- High School Diploma or GED
- Strong knowledge of Microsoft Word
- Basic knowledge of digital video cameras
- Have a reliable, insured vehicle, suitable for conducting surveillance
- PC or laptop to produce reports on

Our Preferred Requirements

- Outstanding written and verbal communication skills; accurate typing skills
- Basic knowledge of digital video cameras software
- Ability to take initiative and multi-task under pressure
- Effective problem-solving skills
- Excellent attention to detail
- Comfortability with change and ability to adapt
- Law Enforcement or Military background is a plus
- Able to take direction from supervisors as well as work alone or in groups

You do NOT need to be a licensed Professional Investigator for this position. This job description is not intended to be all-inclusive, and employee will perform other reasonably related business duties as assigned by the immediate supervisor and other management as required.

Interested applicants are requested to email a copy of their resume to Christian at CVB@claimspi.com and reference the Surveillance Investigator opportunity
